

COVID-19 Treatment Plan

In the event of someone becoming unwell with suspected COVID-19 symptoms while at the Curzon Centre you should:

- a) Send them home immediately
- b) Ask other members of your group to provide their contact details if you do not have them
- c) Ask the rest of your group to leave the premises, observing the usual hand sanitising and social distancing precautions
- d) Advise them to wash their clothes when they arrive home
- e) Inform the Curzon Centre Management on 01494 672891
- f) If the unwell person needs to wait for a lift: -
 - (1) Remove them to the safe waiting area, which is in the disabled toilet – a chair and washing bowl should already be there
 - (2) Put on a mask, face shield, gloves & apron to protect yourself. (All necessary cleaning and PPE is provided in the '**Curzon Centre Covid -19 First Aid Box**' which is stored in the Kitchen with the existing first aid kit.
 - (3) Provide them with tissues, a plastic rubbish bag, a bowl of warm water & soap for hand washing & paper towels
 - (4) Once they have been collected: -
 1. Remove gloves, apron and face mask to the rubbish bag*
 2. Leave face shield on top for disinfection
 3. Wash your hands for at least 20 seconds with warm soapy water
 4. Wait for Curzon Centre Management or Trustee to arrive.
 5. Once home - wash all your clothes and wipe down disinfect your car

*Note that the waste should be double bagged and kept for 72 hours before being collected.
